

## Prayer Renouncing the Mesmerizing Spirit

**History:** The Mesmerizing Spirit draws attention to a part of the picture to prevent seeing the whole picture. This is the essence of hypnotism and prejudice. *This spirit blinds to people's faults so they look good or blinds to people's virtues so they look bad. By controlling the focus, it also exaggerates emotional reaction to whatever is focused on.* Instead of trying to convince someone their perspective is being messed with, pray renouncing the mesmerizing spirit and ask the Lord to shine His light and His peace to cause people to see and feel what He wants us to see and feel. Pray *and practice* these prayers for 20 to 30 days to establish new Godly habits and watch what God does.

### SunPrayer Renouncing the Mesmerizing Spirit<sup>1</sup>:

In the name of our Lord Jesus Christ of Nazareth, and on behalf of \_\_\_\_\_<sup>2</sup> (spouse or prayer partners), myself and our families and our family lines,

- *We renounce and repent for cooperation with the Mesmerizing spirit or any of it's allies.*
- *We renounce and repent for fear or for bitterness in our reactions to pain.*
- *We renounce and repent for giving dishonor to someone who is honorable.*
- *We renounce and repent for giving honor to someone who is dishonorable, except for when we honor our parents for being our parents, even when they are dishonorable.*
- *Father forgive us, turn us to you!*

### MonWe renounce and repent for being Mesmerized, for allowing fear or bitterness to blind us and drive us in prejudice.

- We renounce and repent for any tendency to see a truth about someone's wrongs without love or to embrace the other deception of thinking it is love to see someone's wrongs yet ignore it.
- We renounce and repent for disregard of truth, for unbelief in Your love for us, and for ways we believed or behaved as if we had to do or prove something to earn Your love.
- We renounce and repent for thinking restoration depends on us or others when the truth is that restoration depends on you, God Most High.
- We renounce and repent for bitterness and mocking and shaming ourselves or others.
- We renounce and repent for fear infected emotions, for unreasonable lashing or unreasonable loyalty or disloyalty.
- We renounce and repent for judging people on the prejudice of single issues instead of seeking Your perspective. We renounce and repent for prejudice--*our refusal or inability to see the good of self or another because of only looking at the wrongs.* Lord God, forgive us for religious prejudice, racial prejudice, gender prejudice, age prejudice. Forgive us for prejudice of any kind.

---

<sup>1</sup> Written by David Brown from Arthur Burk's material on the Mesmerizing Spirit

<sup>2</sup> Say the name/s of a person or group praying this through with you. If married, include the name of your spouse. Be encouraged to pray this in agreement with another. Unity releases great blessing.

**Tue° We renounce and repent for pride**--*our refusal or inability to see obvious pain or sin in our own life, wanting to only see a good thing in self or a refusal to see sin in another's life, wanting to only see a good thing.* We renounce and repent for doing wrong or going along with wrong, even when we know better. We renounce and repent for refusing your correction that would have brought us wisdom, helping us to truly know and do better.

◦ We renounce and repent for false humility--*a refusal or inability to see our own virtues or needs as legitimate*; a tendency to focus on what is wrong or might become wrong, and so become unable or unwilling to see what is good about ourselves, or being unable or unwilling to receive due honor, for pushing away honor that you, God, wanted us to receive.

◦ We renounce and repent for false pride—*our pride based on a falsehood, our pride from believing lies*—(like we are weak or bad for crying, so we have worked at proving that we are strong and taking pride in what we came to see as our strength like no tears, no admitting of my pain or need, no allowing of self to need, feel or express love).

◦ We ask for and welcome true humility. We choose *genuine dependance on you, God* instead of self. In doing so, we learn wisdom (like when we cried, we were telling the truth that we hurt or when we cried for others, we were expressing the strength of our love for another. Therefore, we do not need to be ashamed of what God honors like our tears that God so honors, he keeps them preserved). ◦ *Father forgive us, turn us to you!*

**Wed****We renounce and repent for mesmerizing, for allowing fear or bitterness to drive us to be lawless and so to blind others, for that dishonors you, God who deserves honor.**

● Forgive us for any ungodly disregard of law and authority, or any usurping of authority.

Forgive us for envy and ungodly ambition.

● Forgive our sin reactions to shame and letting that drive us to try harder to earn love and legitimacy or to give up, but either way to do so in cynicism or entitlement.

● We renounce and repent for justifying the pushing of something that wasn't right to be seen as right or get our way. Forgive us for ungodly control and any ways of being unethical and exploitative

● We renounce and repent for walking intentionally in the occult.

● Forgive us for using pain, or threat of causing pain, to control. Forgive us for our part in pushing people to honor dishonorable behavior.

**Thu****We decree the truth that You, God our Father, love us** even when we or others, don't love us; even in the pain of our failures or the pain of others failing us.

● We decree that by Your love, we will find our legitimacy in relationship with you, our Father.

● We will look to you, Father, even when we are in pain and will keep relationship with you, even when others reject or hurt us, even when you discipline us.

● We will find in Your love for us, the willingness and ability to forgive others and ask forgiveness for our sin reactions.

● We will do a fearless and searching inventory allowing the Holy Spirit to open our eyes and heal our blindness. May we see and say what You want and bring You due honor.

● We bless the people of Sapphire Leadership for the teachings that led to this prayer and bless all those who share the better way of Jesus.

**Fri/Sat We ask you, Lord Jesus the Christ, to rebuke and remove the Mesmerizing spirit and any other spirits distorting or blocking perception.**

- Lord Jesus, by your life sacrificed on the cross, by your life-blood, rebuke the strongmen involved, dismantle and remove ungodly structures such as ungodly habits, curses, devices, conduits, attachments, lies, “gifts”, deposits, burdens, and imprints that were built by sin and by evil spirits. Free us and the people we have sinned against and even our DNA and RNA, from the resulting damage.
- Whether we inherited these ungodly structures or they were formed in our lifetime, whether these ungodly structures tie us to people, demons, or defiled time, or land, please free us and in intercession we ask you to free other people tied to that defiled time or land), and even our DNA and RNA, from the resulting damage.
- God Almighty, please close any doors or openings that these sins and evil spirits have opened and please open any godly doors to you and your blessings that these sins and evil spirits have closed.
- Lord, Jesus, would you also rebuke these spirits for any limiting or distorting perspective of those in authority over us, and their family lines, especially President Obama, Chief Justice of the Supreme Court, John Roberts and US Michigan Senators Stabenow and Levin, and US Representative Justin Amash, Governor Snyder and their families and family lines. Especially Apostle Chuck Pierce and Barbara Yoder. (The top administrative leaders of your Nation and State/Province and of your Church).
- Shine your Light, Jesus, so that we can see what you want us to see because of your love and wisdom. Share your peace so that we can afford feelings and have a safe place to sort things.
- *Holy Spirit empower righteous choices in us and our family lines. May we honor you in growing Godly habits and enthroning your name in our lives, relationships, times, and lands.*

***In the name of Jesus the Christ, Amen.***
